Dear Account Holders,

As a result of the change in our software program, the Registry of Deeds in Strafford County will no longer be able to hold funds that are not currently due and apply them at a later date. If a check is made for an amount in excess of what is due, it will have to be returned and a new check issued for the exact amount. Therefore, it is imperative that account holders check their balances and pay the exact amount due in a timely manner. This will assist the staff and is very much appreciated.

In addition to our current email, the Registry of Deeds has established a new email address specifically for accounts: straftorddeeds@gmail.com. It would be appreciated if you would please use this email for correspondence regarding accounts.

Thank you for your consideration. If you have any questions or concerns, please do not hesitate to contact me.

Sincerely,

Catherine A. Berube
