

Laredo User Change DESKTOP Password

Laredo DESKTOP Users are given a system generated password when your account is created. You are able to change your password by creating a Laredo ANYWHERE account and linking it to the County or Counties that you search in.

Create a Laredo Anywhere account www.laredoanywhere.com

The screenshot shows the Laredo Anywhere website's login interface. At the top, there is a dark teal header with the Laredo Anywhere logo. Below the header is a navigation bar with links for Home, Links/Counties, Search, User Profile, and Logout. The main content area features a central login box with fields for "Enter Username" and "Enter Password", and a "LOGIN" button. Below the login box are links for "Forgot Username or Password", "Create Account", "Privacy Policy", and "Desktop Support".

Click **Create Account**

Enter all required fields and click **Create User**

The screenshot displays the account creation form on the Laredo Anywhere website. The form includes several required fields marked with an asterisk (*): Username, Password, Confirm Password, First Name, Last Name, Company, and E-mail. There are also optional checkboxes for "Allow us to send alerts to this email address?" and "Allow us to send alerts to this phone number?". A "Create User" button is located at the bottom left, and a "Back to login" link is at the bottom right. A note at the bottom states "* - indicate required field".
